

WHAT
OUTFITS
DO YOU
NEED?

GETTING STARTED ON YOUR 20 OUTFIT WARDROBE:

Knowing what you need to be dressed for is the first step in creating your 20 Outfit Wardrobe.

Use the checklists below to clarify the casual and dressy occasions you need outfits for.

When you create outfits around your real life, your wardrobe becomes useful and complete. You'll know exactly what goes with what, what you are missing, and be able to get dressed in just a few minutes- for any occasion.
